

UNFURL

Thank you for your order!

Your Black & ivory wedding website is almost ready. This guide gets you from download to a live, shareable invitation link.

YOUR THEME

Black & ivory

STEP 1 — ACTIVATE YOUR ACCOUNT

Go to the link below ~~and enter your Etsy order number and your email address~~

<https://unfurlme.love/activate>

Scan to open the activation page

HAVE READY

Your Etsy order number (find it under Etsy > Your account > Purchases and reviews) and the email you used at checkout.

VALIDATION DELAY

We confirm activations within 24 hours of your request — often much faster. You'll get an email the moment your Unfurl account is ready, with a secure magic-link sign-in (no password to remember).

Your quick-start guide

1. Activate

Enter your Etsy order number and email at the activation link on page 1. Confirmation within 24 hours.

2. Sign in

Follow the magic-link email we send you — one click, no password to create or remember.

3. Start your invitation

Your Black & ivory theme opens as a draft, already loaded with its palettes and scripts.

4. Customize

Fill in your names, date, story, photos, program and venue in the step-by-step editor. Watch the live preview update as you type.

5. Choose your link

Pick your address, e.g. unfurlme.love/your-names, then publish.

6. Share & track

Download your QR code, send the ready-made messages to your guests, and follow RSVPs on your dashboard.

FAQ

Can I edit after publishing?

Yes, anytime, unlimited edits — changes go live instantly on your existing link.

How long is my invitation hosted?

18 months from publication, included in your purchase. Extensions available separately in our shop.

I bought more than one theme — do I activate twice?

Yes, one activation per order: each order number unlocks its own invitation and dashboard.

NEED HELP?

Message us anytime through Etsy — we read every message and reply quickly with activation or customization help.
